

BRITISH SCHOOL AT ATHENS

ΒΡΕΤΑΝΙΚΗ ΣΧΟΛΗ ΑΘΗΝΩΝ

Athens, 31 August 2021

Dear Colleague

Once again, we hope this circular reaches you safe and well in what remain uncertain times. You are receiving it because you submitted an abstract of your planned presentation at the conference, or you had been invited to attend as an auditor.

As noted in our previous circular, although we felt unable to schedule the colloquium as an in-person event, we intend to mark the event by assembling all contributions accepted for presentation at the colloquium to produce a commemorative volume: J. Bennet, A. Karnava and T. Meissner (eds), *KO-RO-NO-WE-SA: Proceedings of the 15th Mycenological Colloquium (that never happened)* in 2022/3. The deadline for submission of papers will be **31 December 2021** and will be strictly observed. A style sheet and further instructions, including the word limit, will be circulated in the week of the colloquium (20-24 September). We assume that all those who submitted abstracts will offer their paper for the volume; however, if you no longer wish to submit your paper, or you are certain you cannot meet the deadline, please let us know, so that we can take you off the list of anticipated papers. We are still in negotiation over a publisher.

Although we will not meet in person, we have arranged the following events (all virtual, via the Zoom platform) for the week of the colloquium:
